A READINESS PLAN FOR OUR CHURCH OR SCHOOL

Ready or Not Co. writes the readiness plan at no charge, as a gift to the places that hold communities together.

WHAT THE ORGANIZATION RECEIVES

- ☐ A written, reviewed readiness plan for staff or volunteers and families, written around your building
- ☐ Roles with backups, family reunification, weather, power loss, fire and evacuation steps, shelter in place, special needs and mobility
- ☐ Staff quick cards, a front-office sheet and a parent handout
- ☐ A calendar for yearly review and practice
- ☐ A page your families can use to get their own households ready

What we ask. Nothing is required. If you find the plan useful, share one page with your families so they can get their households ready too.

What it is not. We write the readiness plan. We do not certify legal compliance. A school stays responsible for its own plan and certification under Montana law (MCA 20-1-401), which trustees adopt and certify to the Office of Public Instruction each year. A church stays responsible for its own legal requirements.

To request. Visit the Churches and schools page and send a short request: who you are, how many people, the building and the contact. Each plan is written by hand and delivered within 14 days of the finished intake. We write a limited number of plans each week, in the order they come in.
